Message Notes

Calvary Chapel Seneca Falls has been formed as a fellowship of believers in the Lordship of Jesus Christ.

We believe therefore:

Worship of God should be spiritual. We remain flexible and yielded to the leading of the Holy Spirit to direct our worship.

Our supreme desire is to know Jesus and to be conformed into His image by the power of the Holy Spirit.

We believe therefore:

Worship of God should be inspirational. We give a great place to music in our worship.

We are not a denominational church, nor are we opposed to denominations as such, only their over-emphasis of the doctrinal differences that have led to the division of the body of Christ.

We believe therefore:

Worship of God should be intelligent. Our services are designed with great emphasis upon teaching the Word of God that He might instruct us how He would be worshipped.

We believe that the only true basis of Christian fellowship is His (agape) love, which is greater than any differences we possess and without which we have no right to claim ourselves Christians.

We believe therefore:

Worship of God is fruitful. We look for His love in our lives as the supreme manifestation that we have truly been worshipping Him.
